

## **EDUCATIONAL GRANT SUPPORT**

### **GENERAL INFORMATION ON MEDTECH EUROPE: CODE OF ETHICAL BUSINESS**

Effective January 1, 2018, MedTech Europe: Code of Ethical Business prohibit Medical Device Companies from providing direct financial sponsorship for registration, housing, travel, and meals to Healthcare Professionals (HCPs) to attend medical education conferences or training programs such as MVSIC Congress 2023.

However, Medical Device Companies may give restricted educational grants to certain organizations to provide financial support to healthcare professionals to attend MVSIC Congress 2023 or similar medical educational events.

A few MedTech compliant, trusted-third party organizations have been approved to seek educational grants from Medical Device Companies to provide financial support to eligible health care professionals to attend medical meetings such as MVSIC Congress 2023.
